

WVSRT NEWS RELEASE: National Radiologic Technology Week!

Professional Medical Imaging and Radiation Therapy Technologist Technologists Day Proclamation

Dear West Virginia Medical Imaging Professionals,

West Virginia Governor Jim Justice issued a Proclamation declaring Sunday, November 8, 2020 “**Professional Medical Imaging and Radiation Therapy Technologists Day**”.

As frontline workers, we are the unsung heroes, not only in the fight against COVID-19 but each and every day.

On behalf of the West Virginia Society of Radiologic Technologist, enjoy the recognition from our Governor and from all of us who thank you for all you do!
