Dear West Virginia Medical Imaging Professionals,

The West Virginia Legislative Session is in full swing with promises to move quickly to pass proposed bills assigning to only one (1) Committee for review prior to moving to the main chamber for a vote, (Senate or House).

Following are Bills introduced through February 14, 2021 under watch by the **W**est **V**irginia **S**ociety of **R**adiologic **T**echnologists (**WVSRT**):

<u>HB 2007</u>	Universal Recognition of Occupational Licenses Act
<u>HB 2154</u>	Combining Board Staff functions and Board locations
<u>HB 2251</u>	Reorganizing various boards and authorities for the licensing and oversight of trades, occupations, and professions
<u>HB 2334</u>	Relating to Universal Recognition of Occupational License Act
<u>SB 269</u>	Requiring certain boards that seek to increase a fee or seek to impose a new fee to also submit cost saving measures

Please monitor the progress of these and any other Bills contacting your Representatives if/when we issue a call to action.

A contact list for the 2021 Legislative has been placed in the "Laws & Legislation" section of the WVSRT Website

Sincerely,

Nancy Godby, MS-MHA, MA, RT(R)(M) ARRT, CHC
