

eRADIMAGING is a leading independent website for medical imaging professionals since 2007.

All of our courses are approved by the ASRT or MDCB and are accepted by the ARRT, ARDMS, NMTCB. Courses (as marked) are approved towards ARMRT, MDCB, and ACCME.

QUALITY AND CONVENIENCE

- Immediate 24x7 access to over 120 Category A credit courses and tests.
- Choose any courses/combo of courses (any modalities, CE, SE and/or CQR).
- 24x7 online testing - tests are graded instantly
- Certificates are available immediately upon passing test.
- Certificates are stored in your account—forever.
- We automatically track your activity in an online transcript.
- All courses 1 credit or more are approved in Florida. We report CE activity to the State of Florida on behalf of our members living or working in Florida.
