

Ultrasound  
Summer  
Symposium  
Series

**Wednesday  
July 30<sup>th</sup>, 2025**

**9:30 a.m. and  
2:30 p.m. PDT**

## The Art of Breast Ultrasound

This webinar will provide in-depth information on which women can benefit most from breast ultrasound, as an adjunct to mammography; illustrate the complementary roles of mammography and ultrasound; and discuss the latest developments in breast ultrasound technology and their applications. We will also discuss proper equipment, system optimization and proper scanning techniques. 1 CME\*
